“ Rita Paczian introduces an in-road to excellence in conducting that isn’t on offer anywhere else. The workshop provides an introduction to conducting and there is opportunity for the more advanced student to engage deeply. Within one afternoon you’ll be amazed at what you can achieve, it’s an incredible chance to work with a top conductor. And a unique chance to conduct excellent choristers and orchestral players.” (C.M.)

“ It was absolutely wonderful. I learnt so much in such a short time. Rita is a very gifted presenter and I was amazed at how she kept the momentum through so much material. We all worked very intensively. I was also impressed with the venue and the hospitality. Many many many thanks.” (P.S.)

“ Well, the workshop blew my mind away! It was brilliant - well organised with all the handouts, etc, and just wonderfully well presented and taught. The time absolutely flew by and I learned a HUGE amount. Rita is an excellent and extremely knowledgeable teacher and musician with a great sense of humour which makes the whole learning experience fun. Once again thanks so much for an excellent afternoon.” (N.E.)
