Repertoire

Faure Requiem

Gabriel Fauré *Requiem* (composed 1887-1890) is one of the most popular choral pieces ever written. The work is scored for soprano and baritone soloists, mixed choir, orchestra and organ. Throughout the seven movements Faure interwove some of the most lovely melodies he ever composed. The *Pie Jesu*, *Agnus Dei* and *In Paradisum* sections are often seen as the most glorious, filled with rich, soulful harmonies.
