

BACH MUSICA NEW ZEALAND PRESENTS

SINGING WORKSHOP

(for sopranos and altos only)

with
international orchestral & choral conductor
Rita Paczian

Learn and brush up essential singing techniques and improve your sound, both as a chorister and as a soloist. Enjoy blending your sound with your neighbour and the whole choir. Improve your sight-reading, have fun, and learn Pergolesi's *Stabat Mater* from scratch or revisit it again. The music is sublime and this workshop offers you an exciting opportunity to sing alongside members of the highly acclaimed chorus of Bach Musica NZ.

REPERTOIRE

The *Stabat Mater* is Pergolesi's most celebrated sacred work, achieving great popularity after the composer's death. Its opening movement is often praised as "*the most perfect and touching duet to come from the pen of any composer*". The composition is divided into twelve movements. In our workshop we will perform it in the version for sopranos and altos only.
